

# ACM UMAP 2018

The 26<sup>th</sup> ACM Conference on User Modeling, Adaptation and Personalization

## Call for Contributions

ACM UMAP 2018 will take place in Singapore, from July 8 – 11, 2018.

It now invites contributions of regular research papers, workshop proposals, tutorial proposals, and demos, posters and late-breaking results.

UMAP – User Modelling, Adaptation and Personalization – is the premier international conference for researchers and practitioners working on systems that adapt to individual users, to groups of users, and that collect, represent, and model user information. UMAP is the successor to the biennial User Modeling (UM) and Adaptive Hypermedia and Adaptive Web-based Systems (AH) conferences that were merged in 2009. It is sponsored by ACM SIGCHI and SIGWEB, and organized with User Modeling Inc. as the Steering Committee. The proceedings are published by ACM and will be part of the ACM Digital Library.
